

Meeting: 2 February 2025  
(Last meeting, 1 December 2024)

**Focus of meeting:** Discuss and organise parish synodal gathering on 23 February.

Previous discussions that we probably won't have time to progress in this meeting but to carry forward in future:

- Discussed about the use of Facebook and the Parish App. It was mentioned that the app could be utilised better and could be promoted in the newsletter.
- Ministries to be added to the parish website.
- The car parking situation to be looked into as those that may need to leave urgently are often unable to leave.
- Potentially a meeting to take place with the Passionist Family groups about creating a connection between groups, potentially prayer groups.
- Liturgy group was not aware of catechumens ceremony at a previous Mass - need to make sure they know - perhaps get some more details in the newsletter (*Update 5/6/25: they were mentioned in the newsletter when all Catechumens had been initiated*).
- Car parking and cars getting blocked in - school parking not available Saturday nights.
